Zaneta Mascarenhas

Federal Member for Swan

Engineer. Mum. Local

What locals are saying about Zaneta

Marc
Victoria Park – Chemical Engineer

I've known Zaneta for over a decade – we're both engineers, have worked on the mines and worked together helping mining companies address climate change.

Demand for renewable energy is growing and offers opportunities for Western Australians if we have the right people backing us in Canberra – secure jobs and a stronger, more diverse economy.

I'm supporting Zaneta because I know she has the skills, real-world experience and problem-solving approach we need.

Simon & Roni
East Victoria Park - Retired educators

We're retired educators and long-term East Victoria Park residents. Over the past three years, we've seen the projects Zaneta promised to deliver come to life – METRONET and upgrades to roads, schools, parks and community facilities.

She makes the effort to reach out to busy people and stands up for their concerns – tax cuts, electricity bill credits, wage rises and funding for our health system.

We know Zaneta listens to the Swan community and works hard for us all.

Kieran
Bentley – Physiotherapy student & NDIS support worker

Zaneta knows that education and training is how we can build a good life for ourselves and our community.

Every student loan balance has been cut and HECS made fairer so debts can't grow faster than wages again.

She has stood up for and delivered free TAFE, more university places and fully funded schools.

I'm supporting Zaneta because she will ensure everyone can get a quality education without a lifetime of debt.

Nicole
Kewdale - Working mum

I'm a working mum and support Zaneta because she backs fair wages and cost of living relief that helps everyone, not just the top end of town.

Since Zaneta was elected in 2022, wages are finally growing again, and I've saved money on my tax, electricity and medicine bills.

Zaneta has shown I can trust her to build the opportunities and community I want for my family.

Margaret
Ferndale – President, Ferndale Residents Association

Ferndale has been my home for 50 years and I've seen our community improved with representatives who listen to us and work for us.

Zaneta is enthusiastic and proactive – she wants to know how she can help and works hard to build a better future for everyone.

I would be thrilled to work with Zaneta in the Ferndale community and I trust her to do what's right for us.

Jared
Cloverdale - President, Redcliffe Junior Football Club

Our club is growing fast with over 150 players. Zaneta promised and delivered the lighting upgrades we needed to get young players onto the field.

She has shown ongoing interest in groups like ours and appreciation for the volunteers who make it all work.

Zaneta cares about our community and understands how important local sport is for kids to grow up into healthy and confident team players and community members.
